

How to Navigate Your Postgraduate Research Journey

Designed and facilitated by Dr Sandra Mandic, PhD, PMP

Starting a postgraduate journey is an exciting adventure into uncharted territories. Knowing what to look for, what to avoid and which questions to ask will help students navigate their postgraduate learning experience and successfully complete their research and degree.

This course provides guidance to Doctoral and Master's students on how to navigate the process of writing research proposals and preparing their thesis .

Specific Course Objectives*

Understand fundamentals of writing research proposals

Provide practical guidance for writing effective research proposals

Provide guidance for writing different components of research reports and putting together a thesis

Offer tips for getting feedback and dealing with revisions
